CIRCLE OF HEALING GALA

THE MONIQUE WOOLLEY FOUNDATION

On December 13th, Amour Delus, Darrell Dupre, and their team of Ambassadors at The Monique Woolley Foundation, a Beverly Hills local business, put on their 5th annual “CIRCLE OF HEALING GALA.” The event took place in North Hollywood and it had a good turn out of attendees and celebrities including actor/singer, Lawrence Hilton-Jacobs, actor, David Gianopoulos, and NASCAR driver, Felix “Nighthawk” Giles.

Our very own red carpet host, the beautiful Gloria Jimenez, Ms. Beverly Hills USOA 2024, delivered expert interviews on the “Yellow Carpet.”

We also had a guest host, the lovely Aire Stillman, who delivered enjoyable and energetic interviews on the “Yellow Carpet.”
